

# St Catherine's Catholic Primary School

## Year 3 Autumn Term 1

### English

In English, we are beginning with instruction writing and a narrative all about a Stone Age Boy. We will use VIPERS for whole class guided reading, answering comprehension questions and a carousel of activities including Lexia, retrieval skills and reading to an adult. We will also continue to practice all of our reading comprehension skills in groups and individually. We will have handwriting practice every morning and try to begin to join our letters.

### Maths

To start this year, we will be looking at adding and subtracting across 10 and learning all about numbers to 1000. Within this we will be practicing practical and formal written methods to solve more complicated word problems. After half term we will compare length mass and capacity in a range of practical and abstract ways. Then learn to measure length using mm, cm and m.

### Science

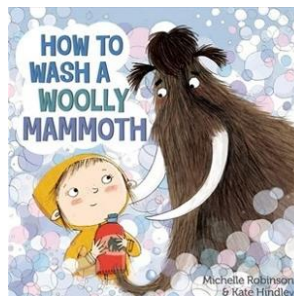

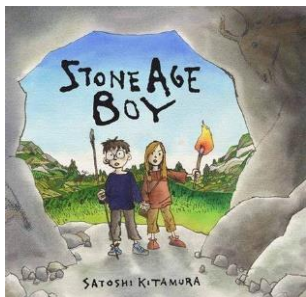

In Science, we will understand how animals and humans change and grow. We will also learn about different forces and their effect, and test how magnets work and can be used.

### RE

In our 'Domestic Church' topic the children will look at families and what it means to belong to a family. In our 'Promises' topic the children will understand the importance of making a promise to each other and the groups that they belong to. We will also learn how the Synagogue is the Holy place for Jewish people.

### History

In History, we will be learning all about the Stone Age; when it happened, what life was like for Stone Age people, where and how they lived, similarities and differences between then and now and also handling some artefacts from that time. Children will use a range of sources to learn more about this period in time.

### Computing

In Computing, we will learn how to use technology safely, respectfully and responsibly; recognise acceptable/ unacceptable behaviour; identify a range of ways to report concerns about content and contact.

### Art

In Art we will be learning all about surrealist landscapes and studying the work of Salvador Dali and Frida Kahlo.

### Music

In Music, we will learn basic notes and rhythm using a glockenspiel and listen to some RnB music.

### PSHE

In PSHE, we will learn about class rules and Anti-Bullying week. We will learn how we are all Created and Loved by God.

### PE

In PE, we will be developing our skills in invasion, net and wall games with Miss Haddow and also the NUFC coaches.

### French

The children will learn numbers, things within our classroom and how to start a conversation.
