

St Catherine's Catholic Primary School

Year 4

Autumn Term 2

English

In English, we will be studying a fiction and non-fiction text. Children will be looking at persuasive writing and build up the skills to write their own holiday brochure. We will also be using the short film 'The Gift' as our fictional English stimulus where children continue to write from a different perspective.

Maths

In Maths we will be studying the 3, 6, 9 times tables as well as the 7 times table. We will also be understanding and manipulating multiplicative relationships so children have a deeper understanding of multiplication. We will also continue practising Timetables with TTRS daily.

Science

Children will be learning about states of matter. They will learn to compare and group materials according to whether they are solids, liquids or gases. They will learn that some materials change state when they are heated or cooled and be able to identify and name these processes as melting, freezing, evaporating or condensing. They will learn about the water cycle and be able to identify the part played by evaporation and condensation in the water cycle.

RE

In RE, we will be focusing on the theme of Reconciliation followed by Gift. Children will understand the importance of admitting wrong, and being reconciled with God and one another. For our Advent topic the children will explore the gift of love and friendship.

Geography

Children will be focusing on the key physical and human features of Italy before focusing in more detail on Campania. Children will be using maps to locate these features as well as counties and capital cities. They will then compare these features with our own area and establish similarities and differences between the two.

Art

In Art the children will look at various artists and techniques including Van Gogh and Monet. We will focus our work on 'Impressionism'. The focus in our final work will be on mountainous landscapes.

Computing

In Computing the children will be looking at collaborative learning when using computers. Children will have the opportunity to use laptops and explore how we can sync together to work as a group when using computers.

PSHE

This term the children will look at Module 1 of the Ten: Ten PSHE programme. We will learn that they are designed for a purpose and how they should live in light of this. We will learn to celebrate similarities and differences, and to appreciate and look after their bodies as gifts from God.

PE

In PE, the children will be taught once a week by NUFC foundation and once by Miss Barnes. With NUFC the children will be problem solving and with Miss Barnes they will be practising skills the equip them to play Hockey.

French

In French the children will learn about Pets. They will focus on speaking in full sentences and will be encouraged to use the language in the classroom.
