

Operation Encompass Newcastle

What is Operation Encompass?

The purpose of Operation Encompass is to safeguard and support children and young people who have been involved in a domestic abuse incident. Following an incident at home, children will often arrive at school distressed, upset and unprepared for the day.

Newcastle Council, the police and nominated Key Adults in school will be working together to make sure that school staff are made aware of an incident early enough to support pupils in school.

Why is Operation Encompass in operation in Newcastle?

Operation Encompass was initially launched in Plymouth in February 2011 to address a shortcoming in the early sharing of information with schools. Since then several pilots have been set up across the UK, including Gateshead and South Tyneside, and has proved to very successful in providing appropriate support in a timely manner. Pilots across the UK have reported positive outcomes for many children and young people.

Newcastle Council, Northumbria Police and all schools in the borough take part in the scheme, to help provide additional new support which will benefit children and young people in Newcastle and improve multi-agency sharing of information.

How does Operation Encompass work?

Schools across Newcastle nominate two members of staff who are known as Key Adults. The Key Adults for St. Catherine's Catholic Primary are Miss L Hoey (Designated Safeguarding Lead) and Mrs C Murray (Deputy Designated Safeguarding Lead).

Each morning a police officer will review all domestic abuse incidents that occur outside of school but which might have had an impact on a child attending school the following day. Where children were present, witnessed or involved in a domestic abuse incident and aged between 4 and 16 years old, the officer will send this information to Children's Social Care Front Door Service.

Staff from the Front Door Service will send this information in a secure format to the identified Key Adult. The Key Adult will check their emails every day and the staff in contact with those pupils will then be in an informed position to support them in a way that is right for the child.

This information will be shared on school days during school term and, when incidents occur on a Friday, Saturday, Sunday or over a holiday period, the police will contact the Front Door the following Monday.

All parents will be sent a letter from their child's school informing them about Operation Encompass.
